

Armco's commitment to outdoor recreational facilities for its employees started with its founder, George M. Verity. Armco Park was opened for ARMCO families in 1935. Over the years, it became the site for many plant-sponsored functions, with a strong emphasis on family activities. Today, the park is owned by the Butler County Family YMCA and is now open to the public. The YMCA plans to continue the values and traditions established 75 years ago. *-excerpts from "We Were Family" by David E. Todd*
